Supervisor Yaroslavsky made the following statement:

“Larry Mantle currently serves with distinction as the host of ‘AirTalk with Larry Mantle,’ an interview/call-in program which is heard daily from 10 a.m. to 12 noon over KPCC-FM 89.3 in Pasadena.

“Mr. Mantle launched the show in 1985, and over the years it has steadily grown in stature and popularity into the longest continuously running daily talk program in the Los Angeles radio market. Under his guidance and leadership, ‘AirTalk’ has become one of our region’s leading public affairs forums, boasting a guest roster encompassing many of today’s leaders in such fields as science, health, politics, and the arts, with the telephone participation of an articulate and sophisticated public radio audience.

“Mr. Mantle and his ‘AirTalk’ team have earned numerous journalistic awards for their efforts, including six Golden Mikes from the Radio & TV News Association of Southern California, and several L.A. Press Club and Associated Press honors. It is only fitting that we here now take note of his unique accomplishments as well.”

Therefore, on motion of Supervisor Yaroslavsky, seconded by Supervisor Burke, unanimously carried, the Board proclaimed April 1, 2005 as “Air Talk with Larry Mantle Day” throughout Los Angeles County; and urged all residents to tune in to KPCC-FM 89.3 from 10 a.m. to noon during the week to hear this outstanding program.
